Please note:-

Recommended Team sizes are:-

Pairs teams four players. Triples teams five players, Fours teams seven players.

In the event of the cancellation of a league match due to non-attendance, the **defaulting team will be liable for the full rink fee**. League Secretary must be informed of any match postponed / cancelled on the correct form.

A member may only be registered for one team in a specific league and would not normally substitute for any other team in that league. However substitution by a player in the same league is allowed in the interest of making an enjoyable game. In this case there is a penalty and 25% of the score should be deducted.

A player may act as a substitute for any team in any league in which he is not registered, a maximum of three times for each team, but is not allowed to skip.

Long term substitutes may be included throughout the season, by agreement with the League Secretary, to cover chronic illness or incapacity of team members.
